

Portrait

Comedy & Harmony is the result of the Männerwirtschaft Evolution and also a synonym for the successful synthesis of humour and music. The concept has impressed all audiences from a variety of public events - from jubilees, galas, congresses and concert venues to private performances at weddings and birthdays, all age groups have been swept away and have kept the group strong for over ten years!

The Männerwirtschaft presents a refined sense of humour, wit, irony and charm within a diversified program finely blended with classics from the 1920th and 1930th of the unforgettable German Comedian Harmonists and fresh modern songs and medlies from the fifties to the present. Many distinct personalities are highlighted throughout their diverse program ranging from Russian folk to German Schlager, flamenco rumba, rock and roll, film soundtracks and creative parodies and unique cover pieces.

Stylish Entertainment with high musical quality: The Männerwirtschaft!

The five Berlin-native singers that make up the Männerwirtschaft have set new records for a capella music in Germany. Their eclectic mix of classic hits of the German Comedian Harmonists from the 1920th and 1930th and songs from the fifties through to the nineties (including Rock & Roll, Russian Folk, Flamenco Rumba, film soundtracks, as well as David Hasselhoff parodies), makes the Männerwirtschaft truly unique in Germany.

With over ten years of stage experience and hundreds of performances throughout Germany under their belts, these assets speak for themselves when the group entertains their audiences. On top of the variety of genres undertaken by this group, the theme of "Comedy & Harmony" has inspired many unique skits and pieces bound to leave every listener chuckling throughout their performance. This is truly a fun experience for both young and old!
